HYPER-OPTIMIZING BUSINESS FRONTIERS

Company Snapshot

DUNS Number #06-777-3462 Cage: 9U9S9

INNOFUSION STRATEGIES, LLC is an experienced, minority-owned, certified service-disabled veteran-owned small business (SDVOSB) consulting company providing strategic management consulting and management support services to commercial companies and federal, state and local government agencies.

Past Performance

INNOFUSION STRATEGIES LLC leverages CEO Andrew Horne-Cooper's over 30 years background in IT and Business Strategy Management. Most recently he has performed in leadership roles, as a DoD Acquisition Professional with DAWIA certification and a long-time holder of multiple professional certifications from PMI, leading strategic IT transformation and managing multi-hundred-million-dollar budgets.

- **Department of Navy** – leading strategic IT transformations in NIPR, SIPR, JWICS, and higher-level classified domains.
- **U.S. Marshals Service** – established and directed the agency's first-ever Project Management Office (PMO).
- **Pole Star Defense** – successfully coached and guided the company through execution of effective business development, contract management, proposal development, program management, and end-to-end business integration.
